Field based Learning /Minor Project:

The field based learning/minor project will attempt to provide opportunities for students to understand the different lingual and socio cultural context. They would have an opportunity to gain an understanding of the Arabic Language, its impact on other local languages and vice versa and invite practices required to understand the day to day value and importance of these impacts. This may be a summer internship project. The internship will be under a College teacher who will be designated as Internship Supervisor. After completion of summer internship the students will have to produce a report/ project/ research paper related to the work carried out.

Or

The student will have to visit a nearby centre of excellence proficient in Arabic language and shall interact with the teachers, scholars and students. Besides, he/she will also visit its library and other allied facilities, shall collect data and submit a detailed report of the project to the department under the guidance of a subject teacher.

Or

A detailed survey of about 20 households where Arabic language is either studied or learnt or spoken, studying thereby the sources of their learning it and the quantum of their understanding about it. They will have to identify problems in its learning and will have to suggest possible solutions for it.
